BOOK

Come un abito, la casa si modella su chi la abita. Ne segue i gusti, ne riflette i bisogni, cattura e assorbe forme, abitudini, desideri. Non sfondo ma spazio per vivere e da vivere, la casa è lo specchio dell’identità. L’arredamento Presotto per la zona giorno interpreta le nuove tendenze e con Pari&Dispari propone una struttura che supporta più orientamenti estetici per arredare la zona living con personalità e creatività. Una casa Presotto parla di chi la vive.

The home shapes itself to its occupants, like a dress to its wearer. It follows their tastes, reflects their needs and captures and absorbs forms, habits and desires. Not a background but a space for living and enjoying, the home reflects one’s identity. Presotto furnishings for the living area interpret new trends, and with Pari&Dispari offer a structure allowing more aesthetic ways to furnish the living area with personality and creativity. A Presotto home speaks of its occupants.

Wie ein Kleidungsstück wird das Zuhause nach seinen Bewohnern modelliert und gestaltet. Es folgt ihrem Geschmack, spiegelt ihre Bedürfnisse wider, fängt ihre Formen, Gewohnheiten und Wünsche ein und nimmt sie in sich auf. Nicht einfach eine Kulisse, sondern ein Raum zum Leben und Wohlfühlen, der zum Spiegel der Identität wird. Das Einrichtungsangebot von Presotto für den Wohnbereich interpretiert die neuen Trends und bietet mit Pari&Dispari eine Konstruktion an, die verschiedene ästhetische Ausrichtungen unterstützt, um den Wohnbereich mit Persönlichkeit und Kreativität einzurichten. Ein Haus von Presotto sagt etwas aus über die Personen, die darin leben.

Tel un vêtement, l’intérieur se moule sur celui ou celle qui l’habite. Il en suit les goûts, il en reflète les besoins, il en capture et en absorbe les formes, les habitudes, les désirs. Ce n’est pas une toile de fond, mais un espace pour vivre et à vivre: l’intérieur est le miroir de l’identité. Les meubles Presotto interprètent les nouvelles tendances du séjour, avec des solutions d’ameublement caractérisées par le design et par un vaste choix de styles et de matériaux différents. Des détails qui comptent et qui décorent, des accents de goût qui enrichissent l’intérieur et qui lui confèrent un style vraiment personnel. Parce qu’un intérieur Presotto parle de celui ou de celle qui le vit.
